

# TONI BIRD

One of Australia's leading vocalists Toni has performed internationally at events and festivals throughout Asia-Pacific, New Zealand and Canada as both a solo performer and leading lady of high profile events bands.

A powerhouse vocalist, Toni is as unforgettable performing a funky soul classic as she is a subtle sassy jazz number, while her inner rock diva will leave you feeling like you have been to a stadium concert.

Toni has performed at major venues such as The Opera House, Sydney Entertainment Centre, and WIN Entertainment Centre, and has shared entertainment rosters with artists such as Jessica Mauboy and Diesel, counting one of many highlight moments as performing alongside Vanessa Amorossi to a packed ANZ Stadium for the Bledisloe Cup.

Most recently, Toni toured nationally as vocalist for rock/blues band Nat Col & the Kings, fronted by guitarist Nathan Cavaleri. Also a talented songwriter Toni is currently working on her debut release, and performing as front woman one of Sydney's leading bands 'The Players'.
